MEMORANDUM FOR: See Distribution

SUBJECT : [] Presentation on the Development
of the Briefing Print Enlarger

1. Under an NPIC contract, [] has developed a "breadboard" Briefing-Print Enlarger designed for exposing high-quality briefing prints in format up to 40 X 40 inches with continuously variable magnification 3X to 60X; although designed primarily for black and white it will also expose color prints.

2. This uniquely designed device is considered by P&DS and PSD representatives to be of great potential value to NPIC; consequently, [] was requested to present briefings at NPIC outlining the characteristics of the model and to display photographic prints using the various component lenses.

3. [] will arrive at NPIC on 7 December to prepare for the briefings, which are to take place on 8 December. The following arrangements have been made:

Place: PAG briefing room, third floor.

Time: First Briefing 0930 - 1130, 8 December

This detailed briefing is for technical and R&D personnel in NPIC as selected by component chiefs.

Second Briefing 1330 - 1430, 8 December

A general briefing for management level personnel.
